

RESOLUTION NO. 703

A RESOLUTION OF THE BOARD OF DIRECTORS
OF THE IDYLLWILD WATER DISTRICT
REVOKING RESOLUTION #451

The Board of Directors of the IDYLLWILD WATER DISTRICT ("District") hereby resolves as follows:

WHEREAS, The Board of Directors of the Idyllwild Water District realizes that, in light of Governor Brown's recent declaration of a statewide mandatory water reduction, permitting the discretionary reduction of billings for water service under certain circumstances in our current drought condition would not be prudent or appropriate;

THEREFORE, the Board of Directors of the District revokes Resolution #451, which was subject to the General Manager's discretion for consideration of a one-time partial forgiveness to customers who experience excessive water usage beyond their control, and no billing forgiveness for excessive water usage shall be provided.

Adopted this 15th day of April, 2015.
