Amended Ordinance # 39

66 4 46

(a) ANNUAL ACCUMULATIVE MINIMUM SERVICE AND ADVANCE PAYMENT
 Accumulative minimum service is accumulative over a 12 month period beginning with the April meter reading of each year. The annual minimum charge is payable, in advance, on May 1 of each year.

(b) QUANTITY OF WATER FOR ANNUAL MINIMUM CHARGE
 The annual minimum charge will entitle the customer to the quantity of water which that minimum charge will purchase at the annual quantity rates.

(c) CONNECTION AND DISCONNECTION OF SERVICE
 Service commenced before the April meter reading date of each year will have the annual minimum pro-rated at the rate of one-twelfth the annual amount for each month remaining in the service year.
 Service discontinued before the April meter reading date of each year will be adjusted on the basis of the annual minimum payment made. Any unused minimum will be pro-rated at the rate of one-twelfth of the annual amount for each month of the remaining portion of the service year and refunded to the customer.

(d) RECONNECTION OF SERVICE WITHIN TWELVE MONTHS
 When a customer resumes service within twelve months from the date of last disconnection, such customer will be required to pay all charges, including the minimum charges which would have been billed during the shut-down period.

(e) METER READINGS
 Meters will be read three times each year and charges for over-run above the minimum charges, will be billed on May 1, September 1 and January 1.

Special Conditions

Multiple Premises Use: Where it is necessary or deemed advisable for a consumer to receive service for more than one premises through one meter, the Board of Directors may approve an application for such service, provided the annual minimum and the first and second blocks of the rate schedule is multiplied by the number of premises being served. The total annual minimum to be figured on the basis as if the District was serving each premises separately.
