Idyllwild Water District (IWD) is a public agency that provides water and wastewater services. Groundwater is the District's only water source. The District produces, treats, and distributes water for the Idyllwild community. The District also collects, treats, and disposes of wastewater in an environmentally safe manner. IWD water service area has over 1,600 accounts, and wastewater has over 650 accounts. Five publicly elected Directors govern the District.

#### **Description:**

**Operator-In-Training, Water:** Under the supervision of the Water Operator III or Chief Water Operator, performs a wide variety of manual labor tasks associated with the maintenance and repair of water treatment and distribution facilities, including pumping stations, pipelines, other water appurtenant structures and water plant facilities by performing the following duties. This position is an entry level. Initially, under close supervision, incumbents learn and perform a variety of duties in maintenance, repair, and operation of the water systems.

**Water Operator I & II:** Under immediate supervision (Water Operator I) or general supervision (Water Operator II), performs skilled maintenance, repair, and construction work on the potable water treatment and distribution system; operates maintenance and construction tools and equipment; performs a variety of maintenance tasks relative to water distribution and treatment.

**Water Operator III:** Under general supervision, operates and maintains the District's water treatment and distribution facilities; monitors water flows and usage; performs sample collection and laboratory testing; checks operations and monitors equipment for proper functioning of treatment and distribution facilities; performs the full range of water treatment plant and distribution operations with minimal supervision; and does related work as required.

#### **Qualifications:**

**Operator-In-Training, Water:** Graduation from high school or general education degree (GED) and must obtain a Water Treatment Plant Operator (T1) and Water Distribution Operator (D1) certifications issued by the State of California Department of Health Services within one (1) year of hire.

**Water Operator I:** Graduation from high school and at least one year of responsible experience in the operation, maintenance, repair of water treatment facilities; sufficient training and experience. Shall possess both a Water Treatment Operator I (T1) and a Water Distribution Operator I (D1) certificates issued by the State Water Quality Control Board or obtain the certificates within one year.

## IDYLLWILD WATER DISTRICT

### Current Positions Available

**Water Operator II:** Graduation from high school and at least three years of responsible experience in the operation, maintenance, repair of water treatment and distribution facilities; sufficient training and experience. Shall possess both a Water Treatment Operator II (T2) and a Water Distribution Operator II (D2) certificates issued by the State Water Quality Control Board or obtain the certificates within one year.

**Water Operator III:** Graduation from high school and at least three years of responsible experience in the operation, maintenance and repair of water treatment and distribution facilities; sufficient training and experience. Shall possess both a Water Treatment Operator III (T3) and a Water Distribution Operator III (D3) certificates issued by the State Water Quality Control Board or obtain the certificates within one year.

**Special Requirement:** Possess an appropriate California operator's license issued by the Department of Motor Vehicles. Possess and proof of a safe driving record as evidenced by freedom from multiple or serious traffic violations. The driving record will not contribute to an increase in the District's automobile insurance rates.

#### **Compensation:**

**Operator-In-Training, Water:** The hourly salary range for this position is \$19.53 - \$30.30, with hiring dependent upon the qualifications and experience of the selected candidate.

**Water Operator I:** The hourly salary range for this position is \$23.74 - \$36.83, with hiring dependent upon the qualifications and experience of the selected candidate.

**Water Operator II:** The hourly salary range for this position is \$27.48 - \$42.63, with hiring dependent upon the qualifications and experience of the selected candidate.

**Water Operator III:** The hourly salary range for this position is \$31.81 - \$49.35, with hiring dependent upon the qualifications and experience of the selected candidate.

**Benefits:** Vacation, Paid Holidays, Life, Dental and Vision Insurance.

**Retirement:** Employee retirement is a 401(a) deferred compensation plan with District matching employer contribution of 10%. The district participates in the Social Security and Medicare Programs. Deferred Compensation Program 457 Plan is available for employee contributions. The district does not participate in CalPERS.

#### **How To Apply:**

To apply for a position, send your resume and a completed District Employment Application by 5:00 p.m. Thursday, January 4, 2024, to Leo Havener at [leo@idyllwildwater.com](mailto:leo@idyllwildwater.com), or mail to Leo Havener, Idyllwild Water District, P.O. Box 397, Idyllwild, CA 92549-0397.
