OF THE IDYLLWILD WATER DISTRICT
ESTABLISHING WATER STANDBY CHARGES**

RECITALS

A. The IDYLLWILD WATER DISTRICT is a subdivision of a County Water District organized and existing pursuant to the provisions of California Water Code, Section 30000 et seq., and has been and is now engaged in discharging its powers and duties as provided by law;

B. The District, pursuant to the provisions of Water Code Section 31032 et seq. is vested with the power to fix, assess and collect water standby charges on real property situated within the District's boundaries;

C. On March 18, 2020, the Board of Directors adopted its Resolution No. 770, a Resolution proposing a water standby charge on all unimproved lands within the District, authorizing the preparation of a written report describing each parcel of real property and the amount of the charge for each parcel for the year, and setting the date for a public hearing;

D. Pursuant to the Resolution, the District posted and published the proposed charges to property owners within the District.

E. On May 20, 2020 the Board of Directors conducted a Public Hearing for the purpose of receiving testimony regarding the proposed charges, and the Board heard and considered all objections, protests and comments on the written report and the proposed water standby charges.

NOW, THEREFORE, the Board of Directors of the IDYLLWILD WATER DISTRICT hereby resolves as follows:

1. Amount of Water Standby Charge. There shall be imposed, for fiscal year 2020-2021, a water standby charge in the amounts and against those properties more specifically described and set forth in that certain written report prepared pursuant to Water Code Section 31032.1, a true, correct and complete copy of which is attached hereto as Exhibit "A" and made a part hereof.

2. Levy and Collection of Charges. On or before the 10th day of August, the Idyllwild Water Financial Officer shall file with the Riverside County Auditor a copy of the written report with the statement endorsed thereon over his signature that it has been finally adopted by the Board of Directors, and the County Auditor shall enter the amounts of the assessment against the respective lots or parcels of land as they may appear on the current assessment roll.

3. Penalty for Nonpayment. Water standby charges that have become delinquent shall, together with a basic penalty of 6% for nonpayment of the charge and a penalty of one-half of 1% per month for each month of nonpayment, become a lien on the property to be collected at the same time and in the same manner and by the same persons as, together with and not separately from the general taxes for the District.

Adopted this 20th day of May 2020.
